- **Trolley disinfectant**
- **Perspex guards at the tills**

*Thank you
for your understanding
in these challenging times*

Our hanging baskets are available throughout the greenhouse.

If you would like to purchase a hanging basket but are unable to lift them down please ask for a label **BEFORE** entering the greenhouse, tie your ticket on the basket/baskets you would like and take the price ticket from the basket to the till to pay - you will then be advised at the till when your basket will be available for collection.

PLEASE NOTE: Unfortunately, at this time we will be unable to give any advice or give assistance with lifting items in the greenhouse due to our workload and social distancing. There **WILL** be someone available in the car park to assist with heavy bags of compost.

➡ Hardy Plant centre OPEN ➡

Enter via large gates and **NOT** through the main greenhouse.
Please use new till point to pay for plants from that area.
Please follow social distancing guidelines.

ENTRANCE ----- ➡ ----- **EXIT**
